## BATHROOM RENOVATION

*Priorities for this project were to create a luxurious, multi functional bathroom within a small floorplan.*

### *Improvements include:*

*New floor plan to maximize efficient use of tight space*

*Water saving toilet and shower*

*Jacuzzi and steam unit*

*Natural materials and multi textured surfaces*

*Sound system and lighting*

*“It is amazing how this small bathroom now fits the varied requirements of our family, with high function and uncompromised style... an oasis and pleasure to use. The quality of materials and workmanship add so much to the overall experience. I can't wait to renovate my kitchen.”*
